About the Conference

The annual conference of the Association of Mental Health Librarians provides an opportunity for continuing education for all those involved in mental health information services. The program emphasizes broadening the attendees' knowledge of current issues in mental health, exploring the role of the mental health library, and developing collegiality among librarians from various settings. All who are interested are welcome to attend.

The conference registration form can be found at <http://mhlhb.org/annualmeeting.htm>.
